Exam Facility Feedback

(This question is only for feedback.)

The first exam used a small collection of questions. From what you've observed, how much do you think this contributed to some students having prior knowledge of the exam (ie, knowing what the exam questions were before they took the exam in the exam facility)?

note, The answers here will not impact the other exams this semester, which have large collections of questions.

选项*

- ☐ Prefer not to answer
- ☐ Not at all. I did not hear of any discussion of the questions.
- ☐ To a small extent. Some discussed the questions after the exam.
- ☐ To a large extent. There was a significant discussion of the questions after the exams were taken.
- ☐ High. Exam questions were posted, widely discussed, and easily disseminated.
